Enjoy your stroll around Country Victoria's finest public rose garden which forms the entrance to the township of Morwell. Managed by The Morwell Centenary Rose Garden Advisory Committee assisted by the "Friends of the Garden".

Four acres of gardens; 116 beds in which are planted some 3,000 roses drawn from a professional selection of 395 varieties of recent hybrids and traditional favourites.

Our roses are fertilised with "Sudden Impact for Roses" and "Seamungus" generously supplied by Neutrog.
